Emily,

Just to clarify, I have not received her medical records and cannot give you specifics regarding diagnosis. I can however advise that she will be seeking significant medical damages.

Hi Kaitlin,

During our phone conversation today you indicated that your client claims to have suffered significant injuries and is currently in a medically-induced coma. Based on this, I presume your client will be seeking damages in excess of \$75,000, exclusive of interest and costs, in this case. If this is not correct, please let me know by close of business on December 7, 2020.

Thanks,

Emily C. Lamb
